The Conscription Law

By the law for enrolling and calling out the National forces, just passed, and which the War Department is making arrangements to put into immediate and active operation, it is provided that all able bodied male citizens of the United States, and all persons of foreign birth who have declared on oath their intention to become such, between the ages of twenty and forty five years, shall constitute the National forces, and they are made liable to do military duty when ordered by the President. The 2d Section we quote in full:

SEC. 2. And be it further enacted, That the following persons be and they are hereby excepted and exempt from the provisions of this act, and shall not be liable to military duty under the same, to wit: such as are rejected as physically and mentally unfit for the service; also, first, the Vice President of the United States, the judges of the various Courts of the United States, the heads of the various executive departments of the Government, and the Governors of the several States; and, second, the only son liable to military duty of a widow dependent upon his labor for support; third, the only son of aged or infirm parent or parents dependent upon his labor for support; fourth, where there are two or more sons of aged or infirm parents subject to draft, the father, or if he be dead, the mother, may elect which son shall be exempt; fifth, the only brother of children not twelve years old, sixth, the father of motherless children under twelve years of age, dependent upon his labor for support; seventh, where there are a father and sons in the same family and household, and two of them are in the military service of the United States as non-commissioned officers, musicians or privates, the residue of such family and household, not exceeding two, shall be exempt; and no persons but such as are herein exempted shall be exempt. Provided, however, That no person who has been convicted of any felony shall be enrolled or permitted to serve in said forces.

Provisions are then made for classifying this force, the first comprising all who are subject to duty between the ages of 20 and 35, and all unmarried persons between 35 and 45, and the second all others subject to duty; but the last are not to be called into service until the first have been exhausted. It is also provided that the President shall so arrange the draft, that those States heretofore furnishing the least number of soldiers, according to population, shall now by conscription be required to supply the most. This will soon necessarily affect the Pacific States and Territories, and we may therefore soon expect to hear of the appointment of officers to superintend the draft, and to summon our quota of fighting men. The share of Oregon in a call for 500,000 conscripts, now soon to be made as it is reported, will not be far from 4,000. It is hardly likely that the forces raised here will be sent East, where we should be glad to have some of our peace brethren serve awhile with us in the ranks,—at least till they become sick of justifying a war on the part of rebels for the sake of slavery,—but it is probable, both on account of the great expense of transportation and the necessity of increasing the frontier defences, that our military strength will be employed in the vicinity of our own boundaries. There is, however, some consolation in knowing that this sort of service, if less desirable than that in actual defence of the institutions of the country, is not less patriotic, if rendered when and where it is necessary.

Correspondence

The following letter from Gen. Hooker is in response to the resolutions adopted by the late Legislative Assembly:

HEADQUARTERS ARMY OF THE POTOMAC,
Camp near Falmouth, Va.,
February 1, 1863.

HON. SAMUEL E. MAY,
Secretary of State, Salem, Oregon:

SIR:—I have the honor to acknowledge through your distinguished Senator, J. W. Nesmith, the receipt of your letter of the 29th October ultimo, transmitting an official copy of the resolutions adopted by the Legislative Assembly of the State of Oregon at its second regular session.

It is impossible to receive without emotion the distinguished compliment conveyed in these proceedings, and any this kind expression of your regard [illegible] remind me of those happier days when our fellow citizens beyond the mountains were employing all their energies in exploring and developing the matchless resources of that famed Territory.

The recollection of my own employment upon one of your great works of internal improvement will always have a place among the most cherished associations of my life.

Let us hope that this war will not much longer interrupt the progress of the nation and disturb the tranquility of the people.—With a good cause, unfounded means, adequate forces on land and sea, and a firm reliance on Divine favor, our success is not to be doubted, and should not be remote.

Soon after the close of the war with Mexico, when my profession was relinquished for the congenial pursuits of civil life, I chose a home among the hospitable and generous people who have established American empire on the Pacific. It is my earnest prayer that the day may soon come when a restored Union and a vindicated nationality will entitle all of us who took up arms for the suppression of this rebellion to an honorable discharge, and secure to every loyal man the enjoyment of an honorable and lasting peace.

I have the honor to be,
Very respectfully,
Your obedient servant,
JOSEPH HOOKER,
Major General Commanding.

Enlistment of Volunteers

We understand that petitions have been sent to Brigadier General Alvord asking that the present removal of the troops from Fort Hoskins be rescinded. The subjoined letter of Gen. Alvord shows that the citizens of Lane and Benton counties have reasonable assurance that they will fill up a company in that vicinity, it will be stationed at Fort Hoskins. In present depleted condition of the upper country, and the recent murders committed by Indians on the Yakima and Snake rivers, show that if prompt measures are not taken there will be a general Indian war. Formerly there were thirty one companies in Oregon and Washington; now with a much greater extent of settled country there are but eighteen companies. There has been some disaffection manifested on the part of the Indians on the reservation near Fort Hoskins, but we understand the reason is owing to misunderstandings between them and the Agent. There has no [illegible] been encouragement for enlisting has been much have been, particularly at exposed points.—Troops now being raised [illegible] to fight the rebeldom and Secessionists, while with Union men, are interested in preserving peace with the Indians and protecting our growing mining interests. We are also assured that another company can be raised in Jackson county, they will be stationed at Klamath Lake.

HEAD QUARTERS DISTRICT OF OREGON,
Fort Vancouver, W. T., March 6th, 1863.

SIR:—I have the honor to acknowledge the reception of your letter of the 5th inst. inclosing to me the letter of A. D. Barnard, Esq., on the part of citizens of Corvallis, urging that Fort Hoskins shall not be abandoned.

It has been decided that a detachment of twenty or thirty men will be left at that post. If the company of Oregon volunteers now being raised by Lieut. Small at Eugene City can be completed, I think I am justified in saying that it will be stationed at Fort Hoskins. The companies stationed at Forts Yamhill and Hoskins since the autumn of 1861, were raised in California. Oregon has furnished seven companies. California seven regiments since the war began. The population of California is not ten times that of Oregon. I know well the patriotic sentiments of your Excellency and of the masses of the people of Oregon. I know that in former wars the people of Oregon have promptly and gallantly rallied for the defence of the frontier, and that they would now come forward if they were thoroughly convinced of the necessity. California has sent troops to Arizona, New Mexico, Utah and Oregon, and her volunteers have recently achieved a brilliant victory over the Indians on the soil of Washington Territory,—*the same* Snake Indians against whom troops from this quarter will operate.

I am, very respectfully,
Your obedient servant,
BENJ. ALVORD,
Brig. Gen. U. S. Volunteers,
Comd'g District.

His Excellency A. C. GIBBS,
Governor of Oregon, Portland, Oregon.

THE NEW YORK CHAMBER OF COMMERCE ON THE WAR—THE PRESTON COTTON SPINNERS.—People at a distance who read only the organ in this city of Fernando Wood and the foreign money changers, would be very apt to believe that the war spirit of our New York merchants was fast dying out. Nothing could be farther from the truth, as was shown at the stated meeting on Thursday last of our Chamber of Commerce. At that meeting the most prominent of these merchants in a series of resolutions, drawn up by A. A. Low, took occasion to renew the expression of their unbounded confidence in the Government and their unanimous determination to follow up the war manfully and hopefully, in spite of its reverses. In the large and [illegible] the country which is so great [illegible] to the foreign money changers in our [illegible] these patriotic merchants see nothing more startling than the evidence of the ability of Government to maintain the war to the uttermost, notwithstanding its already gigantic proportions. Disparaging [illegible] following the falsehoods of the New York *World* are [illegible] forward [illegible] Wall street will shut up its [illegible] best will find in the end that they have been leaning on a broken reed.

At the same session a letter was read from a meeting of cotton spinners of Preston, England, addressed to the Chamber, stating that many hundreds of the operatives in that locality are anxious to emigrate to America, and expressing an earnest hope that the merchants and other citizens of the United States would take their case into [illegible] The confidence in the stability [illegible] this letter implies [illegible] district which has [illegible] dearth of cotton [illegible] that the working [illegible] England in spite of the malignant efforts of the Lords [illegible] stand fully the nature of the American [illegible] and the results [illegible] here in the free States.—*N. Y. Bulletin*.

FATAL ACCIDENT.—The Puget Sound *Herald*, of March 19th, says that a man by the name of James Hughes was instantly killed at Henderson's Bay by the breaking of his neck between two logs while engaged in constructing a raft.

The same paper says that the members of Capt. Tucker's company of the 1st Regt. W. T. Infantry are just now [illegible] quite rapidly. Several squads have disappeared since the Paymaster's visit, leaving less than forty now to answer at roll call. When it is reduced about thirty five more it is suggested that it would be [illegible] to muster it out of the service. This is the first and only company of the W. T. Regiment that was raised in the Territory. It is feared that it will be the last.

The annexed suggestion is made by a Nottingham journal: Professor Max Muller, in his admirable lectures on the Science of Language, tells us that out of the 100,000 words or so of the English language it has been found that a rustic laborer rarely used [illegible] An ordinarily educated man is supposed to use [illegible] 4000, while a great [illegible] 10,000. The Old Testament contains [illegible] words, [illegible] Shakspeare about 15,000, those [illegible] Milton about [illegible].

In 1720 the population of the British empire was [illegible].

The cry of distress [illegible] in the western districts of Ireland [illegible] of the last three years [illegible] materially affected the prosperity of the land holders, many of whom are now said to be on the verge of ruin and starvation.

LATER FROM THE EAST.

Dates to March 17th.

YREKA, March 19th.

WASHINGTON, March 16.—The Commissioner of Internal Revenue has decided that promissory notes [illegible] thirty days, including three days grace, shall bear a stamp [illegible] thirty three days and not exceeding sixty, including three days grace, a two cent stamp [illegible] sixty three days and not exceeding ninety three days, including grace, a three cent stamp; subsequently, a note of sixty-three days, including grace days, would possess a legal value having a two cent stamp affixed thereto.

Charleston and Mobile papers of the 14th are received. There were seven blockaders off Charleston.

Richmond papers of the 13th announce the arrival of the captured Gen. Stoughton and others.

Mr. C. M. Conrad, of Louisiana, introduced resolutions in the 11th in the rebel Congress alluding to peace.

NEW YORK, March 17.—Gold 154, sterling exchange 169.

A Washington special says that Hooker and the Medical Director pronounce the Army of the Potomac as healthy as any in the world.

It is said that the difficulties which caused Sigel to resign have been adjusted, and that he will withdraw his resignation and return to his old command.

The steamer *Champion*, from Aspinwall, will be up this evening.

A meeting was held at the Exchange [illegible] the Atlantic Telegraph enterprise. It was addressed by Cyrus W. Field, and others. Quite a large amount was raised on the spot. A committee was appointed to [illegible] with the Chamber of Commerce in obtaining subscriptions.

New Orleans advices state that the rebels [illegible] Preparations had been made for an immediate attack on Port Hudson. Banks and Grover had left Baton Rouge.

The pirate *Florida* called at Barbadoes on the 24th ult. and left the following day.

WASHINGTON, March 17.—A dispatch from Rosecrans dated Murfreesboro, March 13th, reports the gallant conduct of our cavalry under Col. Minty, who captured a rebel camp, 17 wagons, 40 mules and 114 prisoners. The place of capture not stated.

The Navy Department has received intelligence of the capture of St. Jago Sound, of the schooner *Blank* from Havana to Mobile, and the schooner *Anna White* trying to run the blockade off the mouth of the Swan river.

No intelligence received up to ten o'clock as to the victory on Yazoo river.

SAN FRANCISCO, March 17.—Further examination of the pirate schooner *Chapman*, increases the evidence against her. The documents found constitute them to act for the Southern Confederacy by every punishment known to a recreant. Another paper has been found which was to have been published and circulated secretly among the secessionists throughout the State. It appears they were to furnish themselves with arms at a fleet in Sacramento at a given date, seize a steamer, cut the telegraph wire, go to Benicia, seize the arsenal, and then return and take Fort Alcatraz and Fort Point by surprise. After this California was to be declared out of the Union and a member of the Confederacy. The *Chapman's* guns were two 12 pounders, 220 stand rifles, 30 kegs of powder, 2,000 loaded shells for hand grenades or howitzers, 118 12 pounder shells, small arms &c.

Gen. Wright has ordered all soldiers absent without leave to report at San Francisco or Fort Vancouver.

It appears that A. P. Crittenden is virtually under arrest for complicity in the *Chapman* affair.

Rankin, Farwell and McLean publish a card exonerating Bunker & Graves from any suspicion in the matter.

Treadwell & Co. have published a card stating that in 1862 they imported the brass pieces and shells found in the *Chapman* for an agent of the Mexican Government, and that they arrived after the war was over and were left in hands until a buyer purchased them a few days ago, representing himself as an agent for Mexico.

SACRAMENTO, March 17.—In the Senate the Assembly bill relating to the Oregon railroad survey was referred to the Yuba and Butte Delegation.

Bill authorizing the issuance of bonds to the amount of six hundred thousand dollars for the defence of the State, was ordered engrossed.

In Assembly the committee on military affairs recommended the passage of the bill to provide for additional pay for our volunteers.

Mr. Porter gave notice of a bill to levy a tax of 20 cents on each 100 dollars for the purchase of a steam war vessel for coast defense.

A bill for levying a tax for the completion of the State Capitol was discussed until after 4 P. M., and passed with an amendment reducing the tax to five cents.

Some bill to enforce contracts for payment [illegible] in gold, was passed by a large majority.

GREAT EXPECTATIONS.—Speaking of the threat which is made of leaving the New England States out in the cold, the Quebec *Chronicle* says:

Maine we want and must get some day, but it is not at all improbable the whole of these five States may some time seek to ally themselves to the prospective British North American Confederation.

POST MASTER ARRESTED.—Mr. George Chorpen, Post Master at Empire City in this State, was [illegible] arrested and brought be fore Judge Deady in this city, on a complaint, charging him with having detained two letters in May last, which were put in his office addressed to Mr. Jesse Applegate. Mr. Cam [illegible] was required to give bail for his appearance at the next term of the U. S. District Court.

THEATRICAL.—A very fair audience was in attendance last night at the Willamette. The [illegible], notwithstanding the bad state of the [weather]. The play of the "Robbers of the [Forest] of Bohemia" was well rendered, and Mr. Waldron as Charles de Moor acquitted [himself] with much credit. He has improved [wonderfully] since his last appearance in this [city], and can now rank as a first class actor. [Mrs. W.] is always well up in his parts, also, [To-night] will be presented the thrilling [drama, in f]our acts, entitled, "Retribution, or the Wind and the Whirlwind," Mr. and Mrs. Waldron appearing in the leading characters. As this play has never been offered before in this city, it cannot fail to be attractive.

The steamship *Brother Jonathan* left this port last evening for San Francisco, direct, carrying a number of passengers and about 3,000 boxes of apples.

Her treasure list was considerable, but we were unable to learn the amount.

NO QUORUM.—There was no meeting of the [Comm]on Council last night. No quorum [illegible], as usual.

[illegible]'S STOMACH BITTERS.—It will be seen by a [card that] the proprietors of this celebrated preparation [ha]ve been greatly harassed by counterfeiters. [It] is thus defrauded seems to be one of the inevitable [penalties] of success. HOSTETTER'S BITTERS have [reached a] point of popularity which would enable a dozen [articles] of this class to make fortunes out of their base [imitations], if allowed to prosecute their in[famous] and lawless trade with impunity. It is hoped, [however], that the suits at law instituted by Messrs. Hos[tetter] & Smith, together with the safeguard which will soon [be afforded] by the Government stamp, may put a stop to [their frauds]. We cannot close this brief reference to the [Bitters without] adding one good word in their favor to the [general appr]oval of the city and country press of all sec[tions of the] Union. In our opinion they are decidedly the [best], most reliable, and in all respects the best [preparation] of a stimulant, restorative tonic and alterative [that has e]ver been presented for dyspepsia fever and [ague, liver] complaints, mental depression or prostration [of the ph]ysical and mental powers.

[AN] EXPECTORANT WITHOUT OPIUM.—DR. [illegible] BALSAM claims the favorable attention of those whose constitutions forbid the use of opium or morphine. This astonishing remedy for CONSUMP[TION] and Lung Diseases, has received the strong [approval] from citizens of the highest respecta[bility], and is richly worth a fair trial.

IN A PERFECT MANNER,

A greater range of work than any other machine.

The value of a Sewing Machine cannot be estimated by the amount of wood, iron, brass or steel used in its construction, but by the *manner* in which these materials are put together and the quantity and quality of the work it turns out. You can buy a watch or a piano-forte for *very little money*, but if you want either for *your own use*, you want an article which can be *relied upon*, and you will purchase accordingly.

LADD & WEBSTER'S

use a *straight* needle, curved ones are liable to break.

They make a *tight lock stitch* alike on both sides of the work, which cannot be ravelled.

Every machine is sent from our office threaded, and with work under the needle ready for operation accompanied with such explicit printed instructions as will enable persons who may never have seen a machine to teach themselves.

DR. BAKER'S
PAIN PANACEA.

Is composed entirely of healing gums, and vegetable oils and herbs. It is perfectly safe for the most delicate to use. I can most sincerely say that I have never known any however delicate to be injured by it in the least. I will continue to ask the afflicted who have not used it, to try it for the following diseases. If they are not satisfied with its healing properties the money will be cheerfully returned by the agent where the medicine is for sale.

If you have pain in the stomach or bowels, try a dose of Pain Panacea internally, bathe externally over the parts affected, and you will at once restore the proper action and relieve the pain.

If you have a Bruise or Wound bathe it well with the Pain Panacea four times a day. It will relieve the pain, and take out all the poison, and heal the wound in a short time.

If you are suffering from Neuralgia or Rheumatic Pains, apply the Pain Panacea freely and take a dose of it internally morning, noon and night, it will not only cure the pain but will remove the cause of the disease.

If you have the Dyspepsia, and your food distresses your stomach after eating, take a dose of Pain Panacea after each meal.

If you have a Cankered or Sore Mouth or Throat, apply the Pain Panacea, to the affected parts, and gargle the mouth or throat three or four times a day.

If you have the Diarrhoea or a relaxed state of the bowels take a dose of Pain Panacea and they will soon be restored. If you have a painful swelling, bathe the parts freely and you will soon relieve pain, and the swelling will be reduced.

If you have a severe tooth-ache, apply the Pain Panacea on a piece of cotton and bathe gum at the same time, it will stop the pain instantly.

If you have a pain in the Breast, Side, Back or Kidneys, bathe the parts affected morning and night, at the same time take a dose of the Panacea internally.

If a Mother has a caked breast, apply the Panacea as hot as it can be borne.

If you feel chilly or cold, as though you were going to have a fever, take a dose of Panacea.

If you have a wound, cut, or galls upon your horse, apply the Pain Panacea. It will take out all the inflammation and heal the sore in a short time.

Little Willie

Some have thought that in our dawning, in being a freshest glow
God is nearer little children than their parents ever know
And that if you listen sharply better things than you can teach
And a sort of mystic wisdom trickle through their careless speech
How it is I cannot answer but I knew a little child
Who, among the rhyme and low and the bees was running wild—
And he came one summer evening with his ringlets over his eyes
And his hat was torn to pieces chasing bees and butterflies
"Now I'll go to bed dear mother for I'm very tired of play
And he said his "Now I lay me in a kind of gentle way,
And he drunk the cooling water from his tiller [illegible] up
And said, gaily When it's morning will the angels take me up?"
There he lies, how sweet and placid and his breathing comes [illegible]
Like a zephyr moving softly [illegible]
But his mother leaned to listen if his breath [illegible] heard—
"O she murmured if the angels took my darling at his word
Night within its folding mantle hath the sleepers both beguiled
And within its soft embracings rest the mother and the child
Up she started from her dreaming for a sound hath struck her ear—
And it comes from little Willie lying on his trundle near
Up she springeth, for it strikes upon her troubled ear again
And his breath in louder fitches travels from his lungs in pain,
And his eyes are fixing upward on some face beyond the roof,
And the blackness of the spoiler from his cheek hath chased the bloom
Never more his "Now I lay me will be said from mother's knee,
Never more among the clover will he chase the humble-bee
Through the night she watched her darling now despairing now in hope
And about the break of morning did the angels take him up

It is the intention of the citizens of Nashville to erect a monument to Sergt Silas Herring, of the Anderson troop, who was killed at the battle of Murfreesboro It will be remembered that, when the Anderson troop (cavalry) refused to fight on account of private grievances, he announced his attention of going alone to represent the regiment, which so roused his company that they all resolved to accompany him, thus saving the entire regiment from disgrace.

The "postal currency" or government shin plasters are now being issued at the rate of $100,000 per day, which is about half a cent daily for each inhabitant of the loyal States At this rate it will take one whole year to provide each individual with $1 75 of the currency, and it will require an issue of $38 500,000. So that it will readily be perceived that it is impossible in this way to fill the place of small silver change in less than twelve months, as it is estimated that over $40,000,000 of small change is necessary for the business of the country

℞ AYER'S Cathartic Pills,

(SUGAR COATED,)
ARE MADE TO

CLEANSE THE BLOOD AND CURE THE SICK.

Invalids, Fathers, Mothers, Physicians, Philanthropists, read their Effects, and judge of their Virtues.

FOR THE CURE OF

Headache, Sick Headache, Foul Stomach.

PITTSBURG, PA., May 1, 1856.

DR. J. C. AYER Sir I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach which they cleanse at once If they will cure others as they do me, the fact is worth knowing. Yours with great respect,

ED W PREBLE *Clerk of Steamer Clarion*,

Bilious Disorders and Liver Complaints.

DEPARTMENT OF THE INTERIOR, WASHINGTON, D C., 7 Feb., 1856.

SIR I have used your Pills in my general and hospital practice ever since you made them and cannot hesitate to say they are the best cathartic we employ Their regulating action on the liver is quick and decided consequently they are an admirable remedy for derangements of that organ Indeed, I have seldom found a case of *bilious disease* so obstinate that it did not readily yield to them Fraternally yours,

ALONZO BALL, M. D., *Physician of the Marine Hospital*.

Dysentery, Relax, and Worms.

POST OFFICE HARTLAND, LIV CO., MICH., Nov. 15, 1855.

DR AYER Your Pills are the perfection of medicine They have done my wife more good than I can tell you. She had been sick and pining away for months Went off to be doctored at great expense, but got no better She then commenced taking your Pills which soon cured her, by expelling large quantities of worms (dead) from her body They afterwards cured her and our two children of bloody dysentery One of our neighbors had it bad and my wife cured him with two doses of your Pills, while others around us paid from five to twenty dollars doctors' bills and lost much time without being cured entirely even then Such a medicine as yours which is actually good and honest will be prized here GEO J GRIFFIN, *Postmaster*.

Indigestion and Impurity of the Blood.

From Rev. J. V. Himes, Pastor of Advent Church, Boston.

DR AYER I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood they are the very best remedy I have ever known, and I can confidently recommend them to my friends Yours, J V. HIMES.

WARSAW WYOMING CO., N. Y., Oct. 24, 1855.

DEAR SIR I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood.

JOHN G MEACHAM, M. D.

Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856.

DR AYER Your Pills are the paragon of all that is great in medicine They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair After our child was cured, she also tried your Pills, and they have cured her.

ASA MORGRIDGE.

Rheumatism, Neuralgia, and Gout.

From the Rev. Dr. Hawkes, of the Methodist Epis. Church.

PULASKI HOUSE SAVANNAH GA., Jan. 6, 1856.

HONORED SIR I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best physicians, the disease grew worse and worse, until, by the advice of your excellent agent in Baltimore, Dr M[illegible], I tried your Pills. Their effects were slow, but sure. By persevering in the use of them I am now entirely well.

SENATE CHAMBER BATON ROUGE, LA., 5 Dec., 1855.

DR. AYER I have been entirely cured by your Pills of Rheumatic Gout—a painful disease that had afflicted me for years.

VINCENT SLIDELL.

For Dropsy, Plethora, or kindred Complaints, requiring an active purge, they are an excellent remedy

For Costiveness or Constipation, and as a Dinner Pill, they are agreeable and effectual.

Fits, Suppression, Paralysis, Inflammation, and even Deafness, and Partial Blindness, have been cured by the alterative action of these Pills

Most of the pills in market contain Mercury, which, although a valuable remedy in skilful hands is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use These contain no mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL

FOR THE RAPID CURE OF

COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INCIPIENT CONSUMPTION,

and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Throughout every town and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country on this continent without some personal experience of its effects, and fewer yet the communities any where which have not among them some living trophy of its victory over the subtle and dangerous diseases of the throat and lungs. While it is the most powerful antidote yet known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infants and young persons Parents should have it in store against the insidious enemy that steals upon them unprepared. We have abundant grounds to believe the CHERRY PECTORAL saves more lives by the consumptions it prevents than those it cures Keep it by you, and cure your colds while they are curable, nor neglect them until no human skill can master the inexorable canker that fastened on the vitals eats your life away. All know the dreadful fatality of lung disorders, and as they know too the virtues of this remedy we need not do more than assure them it is still made the best it can be We spare no cost, no care no toil to produce it the most perfect possible, and thus afford those who rely on it the best agent which we can furnish for their cure
